2.02 The Employer and the Union recognize that it is in the best interests of both parties, the employees, and the public that all dealings between them continue to be characterized by mutual responsibility and respect.

ARTICLE 3

NON-DISCRIMINATION

3.01 The provisions of this Agreement shall be applied equally to all employees without discrimination as to age, sex, race, color, creed, national origin, religion or disability.

3.02 The Employer and the Union agree that Union membership or non-membership is at the discretion of the employee and that neither the Employer or Union will discriminate against any employee because of such membership or non-membership, nor shall the Employer discriminate against any employee for any lawful Union activity.

3.03 All references to employees in this Agreement designate both sexes, and wherever gender is used it shall be construed to include male and female employees.

ARTICLE 4

UNION LEAVE

4.01 For each year of this Agreement, the Union will be entitled to a total of fourteen (14) unpaid leave of absence days for attendance at CWA legislative conferences, CWA annual convention, CWA public sector annual meeting or CWA leadership training seminars and for required Union business related to this bargaining unit.

4.02 The Union will notify the Employer in writing at least three (3) days prior to the use of Union Leave. The Union agrees that by the use of this Union Leave Provision, no overtime situation will be created, and the days shall be scheduled as not to interfere with the normal Employer operations.

4.03 Although Union leave days are unpaid, they shall be considered in the active pay status, and such time shall be counted for purposes of overtime calculations, vacation and sick leave accruals.

ARTICLE 5

UNION REPRESENTATION

5.01 The Employer agrees that no more than two (2) accredited representatives of the Union shall be admitted to the Employer's Facilities and sites during working hours upon notification to the Employer. The purpose of these visitations shall be to participate in the adjustment of grievances as outlined in Article 33, at the request of the Employer, and attend other meetings as required by this Agreement.

The Union agrees that such activities shall not interfere with the normal work duties of employees except to the extent otherwise authorized in this Agreement. The Employer reserves the right to designate an appropriate meeting place for such visits.

ARTICLE 6

PROBATIONARY PERIOD

6.01 Newly hired employees shall serve a probationary period. This period is one hundred eighty (180) days for full-time employees and a proportionate number of the one hundred eighty (180) days for part-time employees, to equal one hundred and eighty (180) days of the employee's part-time schedule. Any employee removed during the probationary period shall not have appeal rights to the State Personnel Board of Review or through the Grievance Procedure herein contained.

6.02 Probationary employees shall be afforded Union representation and benefits as defined and set out in these Articles, but shall not be afforded access to the grievance procedure for disciplinary process defined in this Agreement while serving the probationary period.

For purposes of this Section, the term "Employer" includes any office of Lake County and its various employees, officials, whether elected or appointed, associated with administration of this deduction clause.

7.06 Employees who are members of the Union during the term of this Agreement and authorize dues deductions pursuant to the provisions of this Article shall have a right to revoke such dues deductions by giving written notice by personal service or certified mail return receipt to the Employer and President of the Local Union.

7.07 All employees who are not dues paying members in good standing of the Union, shall pay a fair share fee to the Union as a condition of employment.

All new employees who do not become members in good standing of the Union, shall pay a fair share fee to the Union effective sixty (60) days from the employee's date of hire as a condition of employment.

The fair share fee amount shall be certified to the Employer by the Treasurer of the Local Union, and shall not exceed the amount of Union dues.

The deduction of the fair share fees shall be made in accordance with the regular dues deductions as provided herein and with an established rebate procedure on file with SERB, which shall be equally afforded all employees covered by this Agreement in compliance with applicable state or federal law.

The Union shall indemnify and save the Employer harmless against any liability that may arise out of, or by reason of, any actions taken by the Employer for the purpose of complying with the provisions of this Section.

10.01 A time clock and appropriate cards may be provided by the Employer to insure accurate and complete payroll records. The location and method of use will be developed by the Employer and distributed to the employees.

10.02 If a time clock is provided it is to be used whenever an employee enters, or exits the building, to record lunch and rest breaks as the Employer directs. Departmentally, employees shall be informed of said policy.

10.03 Tardiness will be handled in the following manner:

C. Each supervisor in the appropriate department/unit will be responsible for the administration of the time cards and appropriate disciplinary action.

appropriate rate of pay. Posting shall be done on a form provided by the Employer with copies given to the Union.

13.02 Any employee that feels that they possess the necessary qualifications may apply for the vacancy. The factors taken into consideration for promotion or transfer shall be seniority, qualifications, ability, past performance, absence and tardiness. Based on necessary qualifications and ability, the Employer shall give current employees first consideration. Postings shall be done on a form provided by the Employer with copies given to the Union. The filling of all vacancies is left solely to the discretion of the Employer, subject to the terms of this Agreement. This article shall not operate to prohibit the Employer from hiring applicants from outside the bargaining unit.

When a vacancy occurs in a position held by an employee serving their probationary period, either new hire or promotional, such vacancy will not have to be posted a second time. Employees who unsuccessfully bid on the original vacancy shall be reconsidered. The vacancy shall be filled pursuant to Article 13, Section 2 of the Agreement, excluding the first sentence of such Section.

Upon request, a reason for denial shall be given to the employee whose bid is not accepted. At the close of the posting period, the Employer shall hold a meeting to discuss job bid applications with the Union designated representatives, not to exceed two (2).

There will be a ninety (90) day probation period when transferring within the bargaining unit. Such ninety (90) day period shall be considered as sixty (60) days actually worked, excluding days off in the active pay status. If it has been determined that the employee cannot perform the duties of the job, he shall return to his original position or like position, with no reduction in rate of previous rate assigned.

13.03 In cases of lateral or down bidding, the Employer shall not be required to consider employees bids for positions that have had a classification change in the previous six (6) months from the date of bid closing.

ARTICLE 14 **HOURS OF WORK AND OVERTIME**

14.01 WORK HOURS

The work week is determined by the Employer. Currently all full-time personnel work a forty (40) hour week. Time off in the active pay status, except sick leave after three (3) occurrences, shall be counted as hours worked in the calculation of overtime as provided in this Agreement.

14.02 LUNCH PERIODS

Normal lunch periods last for an unpaid thirty (30) minutes and are scheduled according to the needs of the department, with a paid lunch period for the night shift.

14.03 SHIFT CANCELLATIONS

The Employer reserves the right to cancel the remainder of an employee's shift who either fails to report to work within the first hour of their assigned shift or calls in for any other reason stating they will be later than one (1) hour. Cancellation of the remainder of a shift will result in a no-pay status.

If the cancellation of a shift is the result of a tardiness or absence problem, the employee and the Union will be notified in advance if this action is forthcoming. Documentation for tardiness may be required and subject to the provisions of this Agreement.

14.04 REST PERIODS

In addition to a scheduled lunch period, there will be a paid fifteen (15) minute rest period in the morning and a paid fifteen (15) minute rest period in the afternoon. These periods will be scheduled by the supervisor according to the needs of the supervisor and should be scheduled during the middle two (2) hours of each four (4) hour work period.

14.05 OVERTIME

Overtime is defined as time worked in excess of forty (40) hours in any ordinary work week and paid at the rate of one and one-half (1 ½) the employee's base rate of pay.

In any calendar year, after three (3) occurrences of sick leave use, excluding bereavement, personal or injury on duty, sick leave will not be counted as time worked for purposes of determining overtime. After three (3) occurrences in a calendar year, employees will be entitled to overtime (or comp time) for hours worked in excess of forty (40) hours per week excluding sick leave. In addition to bereavement, personal, or sick leave used as injury on duty, hours paid as holidays, vacations, or compensatory time shall be considered hours worked for purposes of determining overtime. An occurrence is any continuous period of time off. A physician's statement will not eliminate an "occurrence" for the purposes of this paragraph.

14.06 COMPENSATORY TIME

If an employee wishes to receive compensatory time off in lieu of overtime, he may do so by indicating his option, on a form provided by the Employer, to his immediate supervisor within two (2) working days of when the overtime work is performed.

Compensatory time shall be handled in the following manner:

- A. Compensatory time shall be earned at a rate of time and one-half (1-1/2).
- B. Compensatory time may be accumulated to a maximum of sixty (60) hours.

C. Employees shall schedule time off for compensatory time by submitting a request on a form provided by the Employer for time off three (3) days prior to such use. Time limits may be waived by the supervisor granting such use.

D. Compensatory time off shall not be used in increments greater than two (2) successive work days.

E. Compensatory time must be used as time off within one hundred eighty (180) days of earning or it will be paid at a rate of one and one-half (1-1/2) times the employee's base rate for actual number of hours worked.

Except That: Upon approval of the County Administrator, the Dog Warden may alter the hours and days of Paragraphs B & D of this Article.

14.07 Voluntary overtime work may initially be refused by an employee. However, if a sufficient number of staff do not volunteer to work the overtime, or are not qualified to perform the work, the Employer shall assign qualified staff to work overtime in the inverse order of their seniority within the classification.

14.08 Each department shall attempt to equalize overtime among employees within the same classification within the same department on a continuing basis. Employees who are offered and for any reason refuse or fail to work the overtime shall be credited as if they had worked the overtime, for the purpose of overtime distribution.

In the event an error in an overtime assignment is made, the employee shall be offered the next overtime assignment to compensate for such loss.

14.09 The Employer shall provide enough work for at least three (3) hours when an employee is called into work when he is not regularly scheduled, or receive a minimum of three (3) hours pay at the applicable rate. The provisions of this Section shall not apply to the three (3) hours at the beginning or ending times of the employee's scheduled shift. On the day of a call out, an employee's hours shall not be reduced in an effort to avoid the payment of overtime, but on mutual agreement between the employee and the supervisor, the end time of the day the overtime is worked may be adjusted to give the employee an eight (8) hour day.

14.10 Telecommunications/Dog Warden full-time employees required to be on-call with restrictions and available by cell phone outside of their regularly scheduled work week shall receive eighty (80¢) cents per hour for each hour they are scheduled to be on-call outside normally scheduled hours. A rotation for Telecom Department shall consist of at least two (2) and no more than seven (7) consecutive days when an employee is scheduled to be available for emergency after hours activity. The Dog Warden's Department on-call program will contain a rotation as determined by the Employer.

These employees will also be compensated within the rules governing overtime for any time that they are actively engaged in providing any service except that their base rate excluding the on-call pay shall be utilized to determine overtime for a call out while on-call.

ARTICLE 15

SENIORITY

15.01 Seniority shall be an employee's uninterrupted length of continuous service within this bargaining unit. An employee shall have no seniority for the probationary period provided in Article 5, but upon completion of the probationary period, seniority shall be retroactive to the date of hire.

15.02 Seniority shall be terminated when an employee:

- A. Quits or resigns;
- B. Is discharged for just cause;
- C. Is laid off for a period of more than twenty-four (24) consecutive months;
- D. Is absent without leave for three (3) or more work days unless proper excuse for the absence is shown or if no notice was given, a satisfactory excuse for the failure to give notice;
- E. Fails to report for work when recalled from layoff within seven (7) calendar days from the date on which the Employer sends the employee notice by certified mail (to the employees last known address as shown on the Employer's records) unless satisfactory excuse is shown.

15.03 In the event an employee considered part-time becomes full-time, past seniority shall be determined and established at such time on a pro-rata basis.

A part-time employee or in the event an employee considered full-time becomes part-time, seniority shall be adjusted yearly on a pro-rata basis.

ARTICLE 16

LAYOFF AND RECALL

16.01 When the Employer determines layoffs are necessary, the following procedure shall determine the order of Layoff and Recall:

- A. Having identified positions to be subject to reduction in the listed categories found in Appendix D attached, the Employer shall then reduce all seasonal, temporary, and probationary employees in the respective category of classifications where layoffs have been determined necessary, then by seniority within this bargaining unit, within the specified classification of each category.

16.02 PROCEDURE

At a meeting with the Union, the Employer shall identify the positions and approximate number of employees to be subject to reductions ten (10) work days prior to such layoff

occurring. At this time, employees in the affected positions shall be notified of possible layoff and instructed of their bumping rights, as outlined in this Article.

BUMPING:

An employee who has been notified that their position will be affected by layoff, may request to bump into a position of a lower level of classifications in Appendix D, attached, where their bargaining unit seniority, qualifications and ability allow them to perform the remaining work available without further training.

In addition to the bumping order set out in Appendix D of this Agreement, employees may bump seasonal or temporary employees as set out above for such time as these positions are available. At the identified conclusion of these positions, the employees will be laid off with no further prior notice requirement.

The Employer retains the right to request candidates provide documentation of qualifications and provide proper testing in determining if qualifications have been met.

Employees failing to request bumping rights on the form provided by the Employer, or fail to successfully bump into another position, shall receive five (5) work days notice of layoff, prior to the effective date of layoff.

An employee who has been displaced by the bumping process shall have the opportunity to bump within the categories and classifications as previously outlined within the same five (5) day period of receiving notice of displacement, except that an employee who previously held another position in the twelve (12) month period may exercise the bumping rights of that former position.

An employee who successfully exercises his bumping rights shall assume those duties and rate of the position effective with the date of layoff.

An employee bumping shall be paid the rate closest to their present rate within the range of that classification without receiving an increase from their previous rate except in the case of bumping into a seasonal or temporary position.

An employee bumping into a seasonal or temporary position shall be paid the rate closest to their present rate in the lowest pay range listed in Appendix D of this Agreement. The employee shall be considered a "regular" employee and maintain benefits with eligibility determined in the same manner as other bargaining unit employees.

An employee in the classification of Mail Clerk may bump into the classification of a less senior Custodial I at the pay grade that reflects the next lower rate of pay if he is able to perform that job's functions without additional training.

ARTICLE 18

BENEFIT ELIGIBILITY

18.01 All regular part-time employees normally scheduled to work less than sixty (60) hours in a bi-weekly pay period shall be limited to fringe benefits of PERS, under the terms and conditions therein established and sick leave benefits on a pro-rata basis to be used for sick leave, funeral leave, and personal days as prescribed in those Articles.

18.02 All employees employed as regular full-time employees who are normally scheduled to work sixty (60) hours or more in a bi-weekly pay period for the purposes of this Agreement, are considered full-time employees and are entitled to all rights and privileges contained in this Agreement.

ARTICLE 19

PERSONAL DAY

19.01 The Employer will grant the use of five (5) sick days per calendar year which may be used in one-half (1/2) day increments, to be used as employee's personal days. Employees may use up to two (2) of the personal days in one (1) hour increments. To be eligible for such use, an employee shall have an accrued bank at a level that does not fall below one hundred sixty (160) hours when such time is scheduled to be taken.

19.02 The employee must secure authorization three (3) working days prior to the use of such personal day, with an approved form supplied by the Employer. The three (3) working days authorization may be waived by the supervisor. Authorization for use of personal days shall be subject to scheduling to meet the efficiency of the operation.

ARTICLE 20

20.01 In the event of the death of an employee's parent, spouse, child, brother, sister, step-child, step-parent, or significant other having a close personal relationship as a live-in companion, the Employer will grant three (3) days funeral leave with pay, not to be charged to an employee's sick leave. An additional three (3) day leave may be granted upon request, charged against accumulated sick leave, vacation, or without pay if no sick leave is available.

20.02 In the event of the death in the immediate family, an employee will be granted at the employee's request up to three (3) days of leave of absence with pay to be charged against his accumulated paid sick leave, or without pay if no accumulated sick leave is available. A shift worker must report the reason for their absence two (2) hours prior to their scheduled starting time, except for unusual circumstances beyond their control. If able, the actual employee should place the phone call and should return a phone from the Employer regarding their absence as quickly as possible. Where Sick Leave is requested to care for members of the immediate family, the supervisor may require a physician's certificate to the effect that the presence of the employee is necessary to care for the ill member.

If illness or disability continues past the time covered by earned Sick Leave, the employee may be granted a Leave of Absence Without Pay.

Situations where an employee does have Sick Leave accrued to cover an absence and there are indications of the abuse of sick time, either on an individual case or by virtue of a pattern, the Employer has the right to challenge the use of this time under abuse of sick leave. Employees failing to comply with the Sick Leave rules and regulations shall not be paid. The abuse or patterned use of sick leave shall be grounds for disciplinary action which may include dismissal.

After more than two (2) continuous working days of illness, a physician's certificate may be required.

After four (4) undocumented occurrences within any twelve (12) month period, a physician's certificate may be required.

23.04 TRANSFER OF SICK LEAVE CREDITS

For all other employees hired on or after April 1, 1993, years of employment for purposes of cash out shall mean years of full-time employment, as defined in Section 1 of this Article, for a Lake County appointing authority under the general fund legislative authority of the Lake County Board of Commissioners, and Utilities, and Job and Family Services.

24.03 The following payment schedule shall be available for the payment of accrued unused sick leave to those employees employed prior to April 1, 1997, who elect to be covered by such schedule:

Employees who are involuntarily terminated (discharged) shall receive no payments under this paragraph.

24.05 The above paragraph 25.04 shall be effective April 1, 2012 and apply to all employees employed by the Employer after the Commissioners pass a resolution applying paragraph 24.04 to all other non-bargaining unit employees of the Commissioners. Those employees hired prior to April 1, 1997 may elect to be covered under paragraphs 24.01, 24.02 and 24.03, above, instead of 24.04. Paragraphs 24.01 – 24.05 expire on January 1, 2018.

25.02 The Employer may grant, in addition to Family/Medical Leave covered in 25.01 of this Article, a leave of absence without pay to an employee. An employee must request, in writing, all leaves of absence without pay. The request shall state reasons for taking leave of absence and the dates for which such leave is being requested. All compensatory time must be exhausted prior to any leave without pay. If medical, all sick leave accumulation must also be exhausted prior to any leave of absence without pay.

An employee who fails to return to duty within three (3) working days of the completion or a valid cancellation of a leave of absence without pay, without explanation to the Employer or his designee, may be removed from the employment of Lake County. An employee who fails to return to service from a leave of absence without pay and is subsequently removed from the service is deemed to have a termination date corresponding to the starting date of the leave of absence without pay.

25.06 RETURN TO SERVICE

The employee may be returned to active pay status prior to the originally scheduled expiration of the leave if such earlier return is agreed to by both the employee and the Employer.

Authorized leaves of absence without pay will count as service credit for seniority for layoff purposes, provided the employee is properly returned to service and is not serving a probationary period. Employees that do not return to service from a personal leave of absence shall not receive service credit for the time spent on such leave.

The employee is responsible for the cost of insurance benefits while on an approved unpaid leave of absence.

If an employee is unable to return to active work status within six (6) months, the employee may be terminated. Such leave shall not include time being requested for the purposes of child care following the recovery of the employee.

B. Physician's Certificate. A pregnant employee requesting a leave of absence without pay must present, at the time the request is made, a physician's certificate stating the probable period for which the employee will be unable to perform the substantial and material duties of the employee's position due to pregnancy, childbirth, or related medical conditions.

C. Sick Leave Usage. A pregnant employee shall be permitted to use any or all of the employee's accumulated sick leave credit only for the period of time of incapacitation, as certified by the physician's certificate that the employee is unable to work as a result of pregnancy, childbirth, or related medical conditions. Such instance would include, but not be limited to, criminal or civil cases, traffic court, divorce proceedings, custody, or appearing as directed as parent or guardian of juveniles.

When an employee's attendance at a judicial or quasi-judicial proceeding is for a period of time less than the employee's normal working hours, the employee must then work the remaining period of his normal working hours to be eligible for court leave with pay.

In cases of promotion, upon successful completion of the probationary period, the employee's step and hourly rate shall be set at the rate closest to their own that reflects a twenty-five cent (25¢) per hour minimum increase. If the move is considered lateral, the employee's step and hourly rate shall remain the same. If the move is considered down, the employee's step and hourly rate shall be set at the step equal to their present step at the applicable rate of the classification they are being assigned. In all cases, the employee shall progress yearly as established above if wage scale allows.

ARTICLE 33

GRIEVANCE PROCEDURE

33.01 The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to complaints that may arise as a result of employment. The parties encourage efforts by employees or their authorized Union representatives and supervisors to discuss and resolve any complaints or differences orally and outside the formal terms and provisions of this Grievance Procedure.

33.02 The term "grievance" shall mean an allegation that there has been a breach, misinterpretation, or improper application of only this Agreement. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and waive any right of appeals through the State Personnel Board of Review.

33.03 A formal grievance shall be reduced to writing. All grievances must contain the following information and must be filed using the grievance form mutually agreed upon by the Union and the Employer:

1. Aggrieved employees name
2. Date of the event leading to the grievance
3. A description of the incident

4. Date grievance was filed in writing
5. Specific Articles of the Agreement violated
6. Desired remedy to resolve the grievance
7. Signature of Union representative

33.04 All grievances must be processed at the proper step in order to be considered at the subsequent step. Nothing contained herein is meant to preclude the parties from mutually agreeing to waive one or more steps of the grievance procedure and process the grievance at a higher step.

Any grievance not answered by the Employer within the stipulated time limits may be advanced by the Union to the next step in the grievance procedure. A written response shall be provided as a result of processing a grievance at Step 2. All time limits on grievances may be extended upon mutual consent of the parties. Any grievance not appealed by the Union within the stipulated time limits shall be considered void and of no effect.

33.05 It is the mutual desire of the Employer and the Union to provide for prompt adjustment of grievances, with a minimum interruption of work schedules. Every responsible effort shall be made by the Employer and the Union to affect the resolution of grievances at the earliest step possible. Toward this objective, the following procedure shall be as follows:

STEP 1

The Union Steward or the employees shall refer the written grievance to the appropriate supervisor within twenty (20) work days of the occurrence that gave rise to the grievance. The supervisor shall have twenty (20) work days in which to schedule a meeting with the Union representative. The supervisor shall investigate and respond in writing to the Union representative within twenty (20) work days following the meeting date.

STEP 2

If the grievance is not resolved at Step 1, the Union or the employee may refer the grievance to the Human Resources Manager or authorized representative within twenty (20) work days after receiving the Step 1 reply. The Human Resources Manager or authorized representative shall have twenty (20) work days in which to schedule a meeting with the Union representative. The Human Resources Manager or authorized representative shall investigate and respond in writing to the Union representative within ten (10) work days following the meeting.

STEP 3 Arbitration

If the grievance is not satisfactorily settled in Step 2, the Union may make a written request that the grievance be submitted to Arbitration. A request for arbitration must be submitted within thirty (30) calendar days following the date the grievance was answered in Step

2 of the grievance procedure. In the event the grievance is not referred to arbitration within the time limits prescribed, the grievance shall be considered resolved based upon the fourth step reply.

In the event a grievance is unresolved after being processed through all of the steps of the grievance procedure, unless mutually waived or having passed through the various steps by timely default of the employer, then within ten (10) days after the rendering of the decision at step 4 or a timely default by the employer at Step 2, the aggrieved party may submit the grievance to arbitration. Within this ten (10) day period, the parties will meet to attempt to mutually agree upon an arbitrator selected from the permanent panel created by this procedure. If such agreement is not reached, then the panel members' names will be stricken alternately (union striking first) until one (1) name remains who shall be designated the arbitrator to hear the grievance in question.

The arbitrator shall have no power or authority to add to, subtract from, or in any manner alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

The arbitrator shall not decide more than one grievance on the same hearing day or series of hearing days except by the mutual written agreement of the parties.

The hearing or hearings shall be conducted pursuant to the rules of voluntary arbitration of the American Arbitration Association.

The fees and expenses of the arbitrator and the cost of the hearing room if any shall be borne by the losing party. Neither party shall be responsible for any of the expenses incurred by the other party.

The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

There is hereby created a permanent panel of arbitrators to be used for the selection of arbitrators pursuant to this arbitration procedure. The individual placed on this panel shall be: James Mancini, Esq. In the event Mr. Mancini is unable to serve as the arbitrator for the grievance in question, the parties shall select by mutual agreement a substitute arbitrator.

The Union agrees to indemnify and hold the Employer harmless against any and all claims, demands, suits or other forms of liability that may arise out of any determination that the Union failed to fairly represent a member of the bargaining unit during the exercise of his rights as provided by the grievance and the arbitration procedures herein contained.

B. The Employer reserves the right to determine if the emergency causes the closing of a department, division, location, shift, work week, or any part of work in a different location or department in the event of partial closures.

Where such partial closure occurs, employees who are required to remain or report to work to cover the emergency shall be compensated pursuant to the provisions of the contracts governing compensation.

ARTICLE 37

SAVING CLAUSE

37.01 If any provision of this Agreement is subsequently declared by competent legislative or judicial authority to be unlawful, unenforceable, or not in accordance with applicable laws and statutes of the United States of America and the State of Ohio, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement.

37.02 The Employer and the Union agree to meet following notification by either party that any provision of the Agreement has been determined unlawful, for the purpose of reviewing the implementation of the decision.

ARTICLE 38

38.03 In the event of a legal strike, all Telecom employees may be required to report to work in the event of an emergency to protect the health, safety and welfare of the citizens of Lake County.

38.04 Nothing contained herein shall preclude the Employer or the Union from obtaining judicial restraint and damages in the event of a violation of this Article.

ARTICLE 39

CIVIL SERVICE

39.01 No section of the Civil Service Laws contained in Ohio Revised Code, Chapter 124.01, et seq. or Ohio Administrative Code Chapter 124-01, et seq. shall apply to the employees in the bargaining unit and it is expressly understood and agreed that the Ohio Department of Administrative Services and the State Personnel Board of Review shall have no authority or jurisdiction in any matter related to employees in the bargaining unit.

ARTICLE 41 **OBLIGATION TO NEGOTIATE**
